Why Are We the Best?:

- We are proud to be referred by **Smith & Wesson®** for bluing services for non-warranty firearm finishing.*
- Hot salt bluing is the most durable and long-lasting form of gun restoration possible - let us blue your firearms, and with proper care they will NEVER need it again!
- We meet all ASTM black oxide specifications.
- Our company’s founder has a forty year personal background in metal finishing and has had an avid passion for firearms since adolescence.
- Each employee is painstakingly meticulous and treats each project as if it were their own.
- The size of our company allows us to personally interact with each client throughout the entire process, not only letting us show our expertise but also to develop a closer relationship with the client.
- Our work is guaranteed! If you’re dissatisfied, we will re-blue your firearm free of charge.

*We are not affiliated, associated, authorized, endorsed by, or in any way officially connected with Smith & Wesson Corp. or its parent, American Outdoor Brands Corporation, or any of its subsidiaries or its affiliates.
